

Students

PARENTS RIGHTS AND RESPONSIBILITIES

The rights of parents/guardians of District students include, but are not limited to, the following:

1. To observe, within a reasonable period of time after making the request, the classroom(s) in which their child is enrolled or for the purpose of selecting the school in which their child will be enrolled in accordance with the requirement of any intradistrict or interdistrict pupil attendance policies or programs (Education Code 51101)

Parents/guardians may observe instructional and other school activities that involve their child in accordance with Board policy and administrative regulations adopted to ensure the safety of students and staff, prevent undue interference with instruction or harassment of school staff, and provide reasonable accommodation to parents/guardians.

2. To meet, within a reasonable time of their request, with their child's teacher(s) and the principal of the school in which their child is enrolled.
3. Under the supervision of District employees, to volunteer their time and resources for the improvement of school facilities and school programs, including, but not limited to, providing assistance in the classroom with the approval, and under the direct supervision, of the teacher.
4. To be notified on a timely basis if their child is absent from school without permission.
5. To receive the results of their child's performance and the school's performance on standardized tests and statewide tests.
6. To request a particular school for their child and to receive a response from the District.
7. To have a school environment for their child that is safe and supportive of learning.
8. To examine the curriculum materials of the class(es) in which their child is enrolled.

Parents/guardians may inspect, in a reasonable time frame, all primary supplemental instructional materials and assessments stored by the classroom teacher, including textbooks, teacher's manuals, films, tapes and software.

PARENTS RIGHTS AND RESPONSIBILITIES (continued)

Each school site shall make available to parents/guardians and others, upon request, a copy of the prospectus for each course, including the titles, descriptions and instructional aims of the course.

The school may charge an amount not to exceed the cost of duplication.

9. To be informed of their child's progress in school and of the appropriate school personnel whom they should contact if problems arise with their child.
10. To have access to the school records of their child.
11. To receive information concerning the academic performance standards, proficiencies or skills their child is expected to accomplish.
12. To be informed in advance about school rules, attendance policies, dress codes and procedures for visiting the school.
13. To receive information about any psychological testing the school does involving their child and to deny permission to give the test.
14. To refuse to submit or to participate in any assessment, analysis, evaluation or monitoring of the quality or character of the student's home life; any form of parental screening or testing; any nonacademic home-based counseling program; parent training; or any prescribed family education service plan.
15. To participate as a member of a parent advisory committee, school site council or site-based management leadership team in accordance with any rules and regulations governing membership in these organizations.
16. To question anything in their child's record that the parent/guardian feels is inaccurate or misleading or is an invasion of privacy and to receive a response from the school.

The Superintendent or designee shall obtain informed written parental consent before testing any student for a behavioral, mental or emotional evaluation. A general consent, including medical consent used to approve admission to or involvement in, a special education or remedial program or regular school activity, shall not constitute written consent for these purposes.

All students shall have the right to obtain confidential medical care or confidential counseling related to the diagnosis or treatment of a drug or alcohol related problem, or mental health treatment or counseling, without the consent of his/her parent/guardian. (Education Code 49091.12)

PARENTS RIGHTS AND RESPONSIBILITIES (continued)

The Superintendent or designee shall ensure that District staff understand the rights of parents/guardians afforded by law and Board policy and follow acceptable practices that respect those rights.

In addition, the Superintendent or designee shall provide interested parents/guardians with opportunities to participate in professional development programs offered at the school in which their child is enrolled.

The Superintendent or designee shall ensure that parents/guardians receive notification regarding their rights in accordance with law.

School officials or law enforcement officials have the authority to investigate or intervene in cases of suspected child abuse.

Parent Responsibilities

Parents/guardians may support the learning environment of their children by:

1. Monitoring attendance of their children.
2. Ensuring that homework is completed and turned in on time.
3. Encouraging their children to participate in extracurricular and co-curricular activities.
4. Monitoring and regulating the television viewed by their children.
5. Working with their children at home in learning activities that extend classroom learning.
6. Volunteering in their children's classroom(s) or for other school activities.
7. Participating in decisions related to the education of their own children or the total school program as appropriate.
