CIVIL DEFENSE AND DISASTER PREPAREDNESS PROCEDURES

Civil defense and disaster preparedness procedures for the East Whittier City School district shall include at least the following topics: fire, civil defense, bomb threat, earthquake and other natural and man-made disasters.

The disaster preparedness plan shall be available to staff, students and the public in the office of the Superintendent and in the office of each principal. Individual building disaster plans shall be placed in the hands of each teacher of the building and shall be available for public inspection at the office of the principal. The principal shall make certain that every student, as well as every staff member, is familiar with the plan and shall conduct such preparedness drills as are necessary to ensure effective behavior in the event of an actual emergency or disaster.
