CONSOLIDATED PROGRAMS - MULTI-FUNDED STUDENTS

The criteria and monitoring of the instructional program for multi-funded students will include the following:

- Access to the District's core curriculum.
- Appropriate supplemental services and materials to support their learning of the core curriculum.
- Formal and informal assessment measures. (CAT, CAP, authentic assessment, portfolio.)
- Redesignation and transition rates out of consolidated programs.
- An adequate level of attainment toward reaching District, school and grade level standards of success.
- Non-academic program indicators that may have an impact on student learning. (Referrals, tardiness, absenteeism).
