

Instruction

COURSES OF STUDY

The Governing Board recognizes that a well-articulated sequence of courses fosters academic progress and makes for the best possible use of instructional time.

The Superintendent or designee shall establish processes for ensuring the articulation of courses across grade levels within the district and shall work with representatives of appropriate area districts to ensure articulation of courses between elementary and secondary schools.

The Board shall adopt a course of study for elementary grades that sufficiently prepares students for the secondary school course of study.
